

Drama 394 Assignment #1 – Block Schematic Recreation

Due: January 16th, 2025. 9 a.m. MT

Project Purpose: To learn USITT Sound documentation standards. For students to familiarize themselves with “draw.io” platform for use of illustration Audio System Block Schematics

For this assignment, students will **recreate** an existing block schematic (from a supplied .pdf). Blocks should conform to USITT Sound Graphics Recommended Practise.

I am looking for:

- Accuracy in recreation of existing block schematic.
- Strong familiarization with draw.io and its application towards theatrical block schematics.

(2) files must be submitted via Canvas. File name will be as follows:

1. DR394W25 Blocksch_Drawing_Title_FirstName_LastName.drawio
2. DR394W25 Blocksch_Drawing_Title_FirstName_LastName.pdf

GRADING:

Unsatisfactory	Needs Improvement	Exceeds Expectations
Students do not submit their schematics.	Students submit their schematics without their name in filename.	Students submit their schematics in accordance with above guidelines.
