

Drama 292 F24 Sound Assignment #4

“Grand Acts of Theatre” Outdoor Venue

Speaker Plot

Description: Students will utilize Meyer MAPP 2D to precisely place loudspeakers within a ground play for Catalyst Theatre’s Grand Acts of Theatre outdoor performance of “Until The Next Breath”. Placement of loudspeakers (full range and low frequency) will be determined in MAPP.

Required: “Mains” stereo L/R for all four audience positions. Low frequency for all four audience positions. Required monitoring (monitors) for performers on all four performance stages.

Grading: Students will be graded on the following:

1. Neatness **40%**
2. Appropriateness (of placement) **60%**

Marked out of 100%, this assignment will constitute 5% of your total Drama 292 mark.

Due: October 17th, 2024. 9am. *Please note this is after the Sound Section has completed.*

Submission: Upload your **zipped MAPP** file(s) to the E-Class. If uploading does not work, please email the zipped file to your instructor.
